## HBC is 21<sup>st</sup> Century Missions

...unto the furtherance of the gospel. Phil. 1:12

June 2015

**W**ith great excitement we want to share what the Lord has been doing through the ministries of HBC. Through the prayer and financial support of HBC partners, national pastors are able to see projects God has burdened them with come to fruition, and God receives all the glory.

Currently, HBC is primarily involved in ministries in Asia. We continue to prayerfully consider opportunities to serve Him on other continents. It is our fervent desire to partner with nationals to reach the unreached of the world with the saving grace of the Gospel.

### Minister Training

HBC supports four established but infant churches in the cities of Hyderabad, Mysore, Thurayoor, and Trichy. This past January, over 100 pastors attended a pastors' conference HBC hosted in Trichy. We hope to host this conference on a yearly basis. Many of these pastors expressed a need to pursue further theological education without having to leave their ministries. After much prayer, we are planning to offer a Master's level course program for them beginning next month.

### Nepal Earthquakes

In the aftermath of the recent devastating earthquakes in Nepal, HBC provided some basic necessities to Pastor Boxton and his church: blankets, food, and a tent for the

Pastor and a few members. We need to send him galvanized sheets as soon as possible for the monsoon season is upon him. Imagine living in a tent and cooking on an open fire in the midst of many after shocks. Please pray for Pastor Boxton as he ministers both physically and spiritually to the people of Nepal.

### Heritage Baptist Academy

On June 1, 2015, Heritage Baptist Academy opened its doors to 63 students in Thurayoor, a city of about 70,000 near Trichy (925,000 inhabitants). Many are lower caste Hindu parents who are financially unable to send their children to a good school.

The Academy will provide these Hindu children with a good education almost free of charge with the goal of reaching them with the Gospel.
