

From a college to a grade school, to a coffee shop, to a conference, and back to a coffee shop with many places between them, Pastor Jack Lezza and Mike Donelson of HBC shared God's Word during their January trip to India. They visited HBC supported ministries, preached, taught classes, spent time with the dedicated pastors and staff, and were encouraged to see how the Lord's work is growing and producing fruit. Here are some highlights of their trip.

### Training College Students & Pastors

Enthusiasm over Heritage Baptist Bible College & Seminary (HBBC&S) continues to grow. Eleven students attended a course on Biblical Counseling taught by Pastor Jack. Mike taught Music Theory, including some of their favorite hymns. HBC hosted a one day Pastors' Conference attended by 110 pastors. The day of teaching included a presentation by Mike on HBBC&S. Many pastors expressed an interest in attending or sending their children. The college school year will end February 16<sup>th</sup>. Please pray for good attendance with the students God has for us this upcoming school year beginning in July.

### Encouraging Graduates

Women graduating from the Tailoring Institute received their Certificates of Completion from Pastor Jack and Mike. The Institute teaches women a life skill while they hear God's Word. Some women now attend a HBC supported church.

### Sharing Christ at a Coffee Shop

Early morning visits to a local coffee shop provided opportunities to share Christ with several men.

### More Travels

Other activities included preaching at two churches, speaking to the children at the Heritage Baptist Academy, and visiting South India Baptist Bible College.

### Praise and Support

Praise God for a safe trip for Pastor Jack and Mike. Please pray that the fruit of their labors will be manifest in people's lives.

HBC still needs \$160,000 for a major land acquisition to expand the Heritage Baptist Academy and bring several ministries together on one campus. It will be our model of what we believe God will do elsewhere. We are thankful for your support.
