June 10, 2020

Dear Friends of Heritage Baptist Coalition,

These are the kind of days our children and grandchildren will talk about for years to come. I believe that the upheaval of society as we know it is God's gentle knocking at the door of local church families. I wonder if a personal revival is in order. If so, it is truly a time for us to respond to 2Timothy 2:1-4.

Thank you for giving and praying for HBC. We are grateful to have you partnering with us. For months we have wanted to give you an update on the school and the proposed property. Yes, we had a wonderful graduation. It was our first and it was before the COVID-19 became a world-wide issue. The students had Dr. Ninan, Pastor Lezza, Daniel Troutman, and Mike Donelson challenge them. Fast forward to June.

We have done 99% of our due diligence with a property that has just come on the market. It has been used as a college training center and is in a not-for-profit trust. Both are very desirable. It is farther from the airport, but in a good location. Obviously we want to be both debt free and free from rental increases. The future of training nationals is not just a college or seminary education, but giving them an example of discipleship and financial freedom. The students are mostly poor students and we trust what they are learning will be a replicable life-long practice.

There is so much more, so if you would like more information, feel free to call or write. We await God's clear leading and we ask you to pray for us.

Thank you for caring for others,
Dr. David Shoaf

2Timothy 2:1 *Thou therefore, my son, be strong in the grace that is in Christ Jesus.*
2 *And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.*
3 *Thou therefore endure hardness, as a good soldier of Jesus Christ.*
4 *No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier.*
